

New Patient Information

Parking and Office Information

Dr Foster's office is located in a private upstairs office at 170 West Street. While there are paid parking options in the area, Dr Foster offers Free Parking in the rear of the building.

In order to access this parking spot, take the access road in between the Hilton Garden Inn and the Re/Max One office. Once behind the office, you will see a white sign labeled "Reserved Dr. Foster Client Parking Only" against the far black building.

If there is a vehicle in this spot and you are more than 10 minutes early for your appointment, please wait, as Dr Foster may be with another patient. If the vehicle does not move by the time of your appointment, please call Dr Foster and she will assist you further.

Please enter from the front of the building, which can be accessed via the left pathway. When inside, you will see a waiting area in which you may have a seat if you are early for your appointment. If you are on time, you may go up the stairs, where you will see Dr Foster's office, labeled with her name plate.

Intake and Form Information

Upon setting an appointment, you will receive an email of various documents to sign. If you are having trouble accessing the forms, or are unable to print them out, Dr Foster can provide you with a hard copy at the time of your first appointment.

Payment and Insurance

Dr Foster takes Medicare, CareFirst BlueCross BlueShield and most other insurances.
